

## Trek Parts

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience successfully developing, marketing, manufacturing, designing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to offering top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They like offering products which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and needs combined with their knowledge of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

When required, the employees within TREK and its various dealer members in both technical support and parts will be obtainable. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery ready and working day after day is top priority. The company's top of the line technology delivers reliable machinery which eventually reduces your cleaning expense. The service, the product and the price all work together in order to make them the leader in the industry.
