

Fork Mounted Sweepers

Fork Mounted Sweepers - This attachment actually makes industrial sweeping work much easier to accomplish. The handy lift truck mounted broom is designed for use with either dry or wet material clean ups. It could squeegee water and push snow with ease. This particular accessory is normally used in order to clean trash from construction sites, docks, parking lots, warehouses and practically everywhere it is required. The forklift sweeper is a low maintenance attachment that utilizes quick-tite fork products to effortlessly connect to the lift truck.
